

## Medical Eligible Expense Guidelines

- Expenses must be incurred during plan year. This is the date the service is rendered not necessarily when it is paid for.
  - Expenses can be incurred for participant, spouse, or dependent.
  - Includes amounts paid for diagnosis, cure, mitigation, treatment, or prevention of disease, and for treatments affecting any part or function of the body. Over-the-counter (OTC) drugs and medications qualify without a doctor's prescription.
  - Limited Purpose FSA restricted to dental and vision expenses.
