The image shows a preview of an email. At the top is a blue banner with a white icon of a face mask with a checkmark inside a circle. Below the icon are three dots. The text in the banner reads "Eyeglasses, orthodontics, OTC medicines & now masks!". Below the banner is the main body of the email. It starts with "Hi Scott," followed by a link "Know what's eligible and what's not...". Below this is a button that says "VIEW THE FULL LIST HERE". The main text of the email says: "Did you know that you can use your Flexible Spending Account (FSA) or Health Savings Account (HSA) funds to pay for a variety of expenses for you, your spouse, and your dependents? The IRS determines which expenses can be reimbursed, and it was recently announced that PPE used for 'the primary purpose of preventing the spread of COVID-19'—including face masks, hand sanitizer and sanitizing wipes—have been added to the list!". Below this is a horizontal line. Under the line is the text "Submitting a claim is easy!" followed by "View our click-through tutorial for step-by-step guidance on how to file a claim." At the bottom is a button that says "FILE A CLAIM TODAY!".
