

## Forgot Your Password

If you cannot recall your password for the employer portal, select the "forgot your password?" option below the sign in box:

The image shows a dark blue login screen with a gold border. At the top, it says "EMPLOYER LOGIN". Below that are two white input fields: "Email Address" and "Password". Underneath the password field is an orange "SIGN IN" button. Below the sign in button is a link "Forgot your password?" which is circled in red. At the bottom, it says "Don't have an account? Sign up now".

Follow the instructions on the next screens to authenticate yourself and create a new password. Once your new password has been created, you will be returned to the login screen to log in to your account.
