

Meet Katie Domeier

Katie Domeier

Manager, Plan Consulting

About Me

Katie joined Sentinel in September 2020, previously working for a Third Party Administrator in Florida as a Senior Plan Consultant. She enjoys working with Plan Sponsors to ensure they have the appropriate plan design for their needs. Katie enjoys breaking down complex compliance topics for employers and making the content easier to understand.

Katie's main job responsibilities include: consulting with clients on plan design, regulatory updates and compliance testing; providing prompt and accurate responses to clients; and collaborating with team members to provide the best possible service.

Educational Background & Experience

- Bachelor of Science in Accounting – University of South Florida
- QKA & QPA ASPPA Designations

Out of the Office

Out of the office Katie enjoys spending time with family — whether it be shuffling kids to their various activities, traveling or hanging at home with her very full and active house including husband, 3 kids, 3 dogs and 8 chickens!
