

Meet Laura Farmand

Laura Farmand

Manager, Retirement Plan Consulting

About Me

Laura joined Sentinel in March 2013. Laura enjoys breaking down complex compliance topics for employers and making the content easier to understand.

Laura's main job responsibilities include: providing quality service and building relationships with our clients; developing and coaching team members; and assisting with plan design, compliance issues and government reporting.

Educational Background & Experience

- Bachelor's Degree – Business Management/Finance
- Various industry credentials – QPA, QKA, QKC Designations

Out of the Office

Laura enjoys spending time with family, traveling and spending time at the beach.
